About us

Eco Classic Lifestyle - Luxe Hospitality Services - is a premium cleaning and hospitality solutions provider. While we specialise in guest accommodation and short-term rental, we service residential, care facilities, workspaces, educentres, and all facility lifestyle sectors.

We deliver tailored, high-standard services to Guest Houses, B&Bs, Boutique Hotels, Airbnb's, Villa Rentals, Corporate Accommodation, Real Estate properties, and select Eateries.

Our expertise lies in elevating spaces to luxury-ready standards through meticulous cleaning, rapid turnaround times, and refined presentation.

Beyond cleanliness, we focus on creating seamless guest experiences that enhance your brand reputation, improve reviews, revenue and increased property value.

We Believe

* Our Mission

Staff Training & Development

At Eco Classic Lifestyle, we believe that excellent service begins with well-trained, knowledgeable staff.

Our team members participate in regular and consistent training programmes to ensure they remain at the top of their field and are equipped to meet the high standards expected in the hospitality and residential service industries.

In addition to training our own team, we also offers training programmes for hospitality staff working in guest houses, boutique hotels, restaurants, and accommodation establishments.

These training programmes are designed to improve service quality, strengthen staff confidence, and support hospitality businesses in delivering exceptional guest experiences.

"We love empowering our staff by upskilling them to take on promotions from within our business"
