Staff Training & Development

We believe that excellent service begins with well-trained, knowledgeable staff.

Our team members participate in regular and consistent training programmes to ensure they remain at the top of their field and are equipped to meet the high standards expected in the hospitality and residential service industries.

In addition to training our own team, we also offer training programmes for domestic chars, hospitality staff working in guesthouses, boutique hotels, restaurants, and accommodation establishments.

These training programmes are designed to improve service quality, strengthen staff confidence, and support hospitality businesses in delivering exceptional guest experiences.

"We love empowering our staff by upskilling them to take on promotions from within our business,

We offer domestic char staff upskilling and training programmes, with certificates of participation that recognise achievement and promote confidence and professional growth."
